Dear Commissioner,

I am concerned about the power a handful of major media companies exert on what we hear, read and see. Please adopt new rules that cap ownership at 35% and prohibit cross-ownership of newspapers and broadcast stations.

Dear Commissioner,

We are already suffering from too much corporate mentality when it comes to what degree of variety is available in the pop culture, like movies and music. I dread to think of what the media would be turned into.

I am concerned about the power a handful of major media companies exert on what we hear, read and see. Please adopt new rules that cap ownership at 35% and prohibit cross-ownership of newspapers and broadcast stations.

Please keep these venues, so vital for political information from being controlled solely by corporate interests.

As the owner of an independent label, I feel the negative effects of consolidation firsthand. We need to keep access to the airwaves and print media available to all Americans.
